

RUTGERS

Office of Continuing
Professional Education

Become a CPC[®] This Winter!

**Medical Billing & Coding Course to Prepare You to
Become a Certified Professional Coder (CPC[®])**

Learn ICD-10, HCPCS II, and CPT to prepare you to take the CPC[®] exam, then work your way to becoming a *certified* medical coder. In just eight Saturdays at Rutgers University, learn how to correctly code provider diagnosis and services to help optimize reimbursements and avoid costly compliance penalties. With new knowledge in accurate medical coding and documentation, you will leave better prepared to confidently take the CPC[®] exam.

8 Full-Day
Classes
Every Other
Saturday
