Friday, September 30-Saturday, October 1

[Register today!](#)

Rutgers University in New Brunswick, NJ

Greetings:

We at The Council on Food, Agricultural and Resource Economics (C-FARE) and the Organizing committee continuously make an effort to foster growth within the community. As an effort to do so we would like to encourage early career faculty and graduate students to participate in the upcoming "The Bio-economy: Technological and Policy Path Forward" workshop. The workshop takes place Friday, September 30 to Saturday, October 1 at Rutgers University in New Brunswick, NJ.

To facilitate attendance, we are offering 5 travel stipends that are available to early career faculty members and graduate students that provide us with the following information: a paragraph discussing reasons they would like to attend, the impact their attendance would have on their career or discipline, and estimate of their travel costs.

This information should be provided no later than September 5, 2016 at 9:00 am to Gal Hochman (gh212@sebs.rutgers.edu).

We look forward to reviewing your application.

Sincerely,

[Gal Hochman](#)
