Join us on Saturday, March 21st for our 39th Annual Home Gardeners School!

The Home Gardeners School offers you expert instruction in the most innovative gardening and landscaping subjects available. We are proud to offer you a wide variety of classes, over different sessions, so you may participate in diverse class offerings throughout the day. Speakers from our commercial horticulture and landscape design programs will participate along with Rutgers Cooperative Extension (RCE) and School of Environmental and Biological Sciences (SEBS) faculty and staff, providing you with opportunities to learn from the best in the business.
