New York Radon Classes in 2019

Albany
Red Lion Hotel Albany
205 Wolf Rd., Albany, NY 12205

June 19 - Radon Measurement for Home Inspectors, 9:00am to 4:00pm
This six-hour course will explain radon and radon testing procedures to home inspectors. This class provides 4 hours of NRPP continuing education credits. It will also provide NY State Home Inspection credits (amount pending).

June 20 - Radon Resistant New Construction 2.0, 9:00am to 4:00pm
This six-hour course will give attendees an overview of RRNC building techniques, testing options, troubleshooting, and reduction options. This class provides 6 hours of NRPP continuing education credits.

June 21 - Radon for the Real Estate Industry in New York, 9:00am to 1:00pm
This four-hour course is designed to provide participants with a basic understanding of radon. It will also discuss liability involving radon issues, and how to deal with clients before, during, and after a radon test. This class provides 4 hours of NRPP continuing education credits. It will also supply NY State Real Estate credits (amount pending).

Syracuse
Sheraton Syracuse University Hotel and Conference Center
