

Directions to the Camden County Environmental Center

1301 Park Blvd Cherry Hill, NJ 08002

From Rte. 295, Exit 34: Take exit for Rte. 70 W toward Cherry Hill & Camden. Follow Rte. 70 W for 1.7 miles. Exit Rte. 70 from right hand lane following signs for Rte. 41 S, Kings Highway, and Haddonfield. This is a long jug handle that will take you through several turns and traffic lights, so carefully watch for and follow signs for Rte. 41 S, Kings Highway, and Haddonfield. Once on Kings Highway, travel for just under 1 mile to the bottom of the hill and turn right at the traffic light onto Park Blvd/Rte. 628. The Environmental Center is 0.8 mi. on the left. The driveway to the parking area is on the far side of the building.

From the Benjamin Franklin Bridge: Coming off the Ben Franklin Bridge, merge left immediately after the toll booths and follow Rte. 30 E for about 2 miles. Stay left and take the ramp to the overpass and follow signs for Rte. 38 and Rte. 70 E. Coming down from the overpass, stay right onto Rte. 70 E and follow Rte. 70 E for about 2 mi. Just passed Caffè Aldo Lamberti Restaurant, turn right at the traffic light onto Grove St. and Haddonfield. Immediately get over to left lane and make the first left at the traffic light onto North Park Drive/628 East. The Environmental Center is about 0.5 mi. on the right, just past the swim club. The driveway to the parking area is on the near side of the building.

From the NJ Turnpike: Take Exit 4 from the Turnpike. After the toll booth, take the ramp on the right for Rte. 73 N. At the end of the ramp, immediately move over to the left lane and make the first left at the traffic light onto Fellowship Rd. Continue on Fellowship Rd. and then make a right turn at the traffic light onto Church Rd. Continue on Church Rd. for about 1.5 mi. and then turn left at the traffic light onto Rte. 41 S Kings Highway. Travel on Rte. 41 S Kings Highway for about 2 mi. Immediately after crossing over Rte. 70, follow the signs to make a right and a then left turn at the traffic lights to stay on Rte. 41 S, Kings Highway, and Haddonfield. Travel on Rte. 41 S Kings Highway for just under 1 mile to the bottom of the hill and turn right at the traffic light onto Park Blvd/628. The Environmental Center is 0.8 mi. on the left. The driveway to the parking area is on the far side of the building.

From Rte. 30, White Horse Pike, East of 295 (Magnolia, Clementon, Berlin):

Heading west on Rte. 30/White Horse Pike, pass under Rte. 295 overpass and immediately turn right at the traffic light onto Rte. 41 toward Haddonfield. Continue into Haddonfield and then turn right at the first traffic light onto Kings Highway/Rte. 551. Continue on Kings Highway all the way through the downtown business district of Haddonfield. Pass the high school on left, and at the bottom of the hill, turn left at the traffic light onto Park Blvd/Rte. 628. The Environmental Center is 0.8 mi. on the left. The driveway to the parking area is on the far side of the building.

From Rte. 30 West of 295 (Haddon Heights, Oaklyn, Audubon): Heading east on Rte. 30/White Horse Pike, turn left at traffic light onto Kings Highway/ N. 551 toward Haddonfield. Continue on Kings Highway for several miles into and all the way through the downtown business district of Haddonfield. Pass the high school on left, and at the bottom of the hill, turn left at the traffic light onto Park Blvd/Rte. 628. The Environmental Center is 0.8 mi. on the left. The driveway to the parking area is on the far side of the building.
