History

- 1987 voters approve a statewide referendum for the sale of $100 million in bonds to finance the easement purchase program.
- 1988, Act 43 was amended to create the framework for the program.
- 1989, the first farm was preserved through the state program in Lancaster County.
- 1993, the easement purchase program was granted a dedicated funding source, 2% of the cigarette tax revenue, which provided approximately $20 million annually.
  - In 2002 provisions were changed and the program now receives a flat amount of $20,485,000 per year from cigarette tax revenue.
  - To date, cigarette taxes have contributed $366.8 million to the program.
- 1996 Federal Farm Bill allows the federal government to allocate funds for farmland preservation.
  - To date, PA has received over $32 million in federal reimbursements.
- 1999, Act 15 provided $42 million in supplemental funding.
  - 1999, Act 68 or Growing Greener I provided $100 million over 5 years for the purchase of easements.
  - 1999, American Farmland Trust recognizes PA as the national leader in farmland preservation.
  - 2005, the easement purchase program was granted a second dedicated funding source, 14.8% of the proceeds from the Environmental Stewardship Fund were earmarked for farmland preservation.
  - 2005 voters approved a state referendum for a $625 million environmental initiative, also known as Growing Greener II, which provided $80 million over the next 6 years.
  - 2014, 25 years after first farm was preserved, anticipating 500,000 acre milestone.
  - As of 2016, the Commonwealth has invested a total of $833 million and counties have invested $451 million in the program.
