

You can now view your current TCH credits On-Line!!

Go To: www.NJ.Gov/DEP/Exams and follow the instructions below.

*Note: If there are any discrepancies in your TCH credit report, please verify that the supporting course certificates were submitted by the course provider. Most Safety courses and "In House" training courses are NOT automatically sent in for processing and thus would not be accounted for. You can fax copies of your certificates to 1-609-292-1308 Attention: Exams & Licensing. If you need further assistance you may contact Chrissy Gerstnicker at 1-609-777-1012.

Program Activities - What We Do
The Bureau of Licensing & Pesticides Operations is responsible for conducting the following activities for Landscape Irrigation Contractor Certification, Water/Wastewater Operators Licensing, and Underground Storage Tank Certification

- Receive and review applications
- Administer exams
- Issue initial invoices/licenses/certifications
- Issue renewal invoices/licenses/certifications
- Prepare annual calendar of Board meetings and exam dates
- Monitor and track continuing education requirements
- Licensed Operator-in-Charge employment notification

The Unit also provides the public with the list of required courses for examination, a list of Training Contact Hour (TCH) providers, and Wastewater Operator-in-Training reimbursements.
