

## Buddleia

Several university studies suggest that these Buddleia are the in order of preference by nectaring butterflies. Nectar quality can be effected by soil quality.

1. Blue Chip Lo and Behold
2. Pink Delight - Pink
3. Royal Red - Red
4. Charming Summer- Pink
5. Petit Plum - Pink
6. Nanho Blue - Dull lavender
7. White Profusion - White
8. Black Knight - Dark purple
9. Lochinich - Light pink
10. Empire Blue - Lavender blue
11. Opera – Pink

These hybrids produce less than 2% of viable seeds of traditional butterfly bushes so they are considered to be non-invasive varieties.

Buddleia Lo & Behold varieties

Blue Chip, Purple Haze, Ice Chip, Lilac Chip

Buddleia ‘Asian Moon, Miss Molly, Miss Ruby

Buddleia by Flutterby Grande

Blueberry Cobbler Nectar Bush,

Peach Cobbler Nectar Bush
